## Auricur® Curcumin Nanophosphosome®

Pack size  
30, 60, 90 Capsules

### RECOMMENDED USAGE

1 tablet/capsule twice daily with warm milk/water (morning/evening) or as directed by qualified healthcare professional. This product is not intended to cure or prevent any disease.

**Golden Milk Latte** is an unique blend of powerful extracts of Curcumin, Ginger, Cinnamon, Piper Nigrum, Turmerone essential oil fortified with Vitamin D3 and natural milk ingredients. These Phytoactives enhances the value of milk and turns it a super health drink. Aurinko® Golden Milk Latte has been developed after extensive research by Phytoscientists and taste testers of Aurinko Healthcare.

### COMPOSITION

#### Each 4 gm sachet contains:

Curcumin 95 mg  
Gingerols 10 mg  
Cinnamaldehyde 40 mg  
Lactose 250 mg  
Casein 160 mg  
Fortified with Piperine, Turmerone & Vitamin D<sub>3</sub>,

### INDICATIONS

Prepares a fortified Super Health Drink  
Acts as rejuvenator and stress reliever.  
Strengthens body immunity and stabilizes cellular integrity.  
Enriched with antioxidants and immunity boosters.

**Auricur® Plus** is a synergistic combination of Curcumin Nanophosphosome® (a nano-emulsified Curcumin Phosphatidylcholine-Ethanolamine-Inositol-Serine complex) and *Tinospora cordifolia* with technologically advanced bioenhancer and metabolic potentiator technology. Bioenhancer and metabolic activator technology enhances the passive diffusion and active transport mechanism through intestinal microvilli to improve *Tinospora cordifolia* absorption as well prevents its metabolic reduction through inhibition of P-gp efflux pump, ATPase activity, CYP3A4, CYP3A9 and UGT.

### COMPOSITION

Serving Size : 1 Film Coated Tablet/Capsule  
Servings Per Container :  
30, 60 and 90 servings

	Amount per serving	% Daily Value
Curcumin Nanophosphosome® *(Auricur®) (Curcumin Phosphatidylcholine-Ethanolamine-Inositol-Serine complex)	210 mg	†
Curcuminoids	95 mg	†

† Daily Value not established  
‡ Fortified with Turmerone and Piperine  
Other ingredients: Calcium carbonate, Permitted class II preservative.

### INDICATIONS

Reports suggest that Curcumin supplementation improves immunity & respiratory health, facilitates recovery during pain, inflammation, Rheumatoid arthritis and helps in wound healing.

Auricur® is a Nanophosphosome® form of Curcumin with technologically advanced bioenhancer and metabolic potentiator technology.

LIVER STIMULANT AND PROTECTANT

Complementary Food Supplement

Silybum marianum and Andrographis paniculata Nanophosphosome®

**Pack size**  
30, 60, 90 Capsules

**AURILIV™** is a synergistic combination of Silybum marianum and Andrographis paniculata Nanophosphosome® (a nano-emulsified Silymarin-Andrographolide Phosphatidyl Choline--Ethanolamine-Inositol-Serine complex) with technologically advanced bioenhancer and metabolic potentiator technology. Bioenhancer and metabolic activator technology enhances the passive diffusion and active transport mechanism through intestinal microvilli to improve actives' absorption as well prevents their metabolic reduction through inhibition of P-gp efflux pump, ATPase activity, CYP3A4, CYP3A9 and UGT.

### COMPOSITION

Serving Size : 1 Capsule

Servings Per Container : 30, 60 and 90 servings

	Amount per serving	% Daily Value
Silybum marianum and Andrographis paniculata Nanophosphosome® *(Auriliv) (Silymarin-Andrographolide Phosphatidylcholine-Ethanolamine-Inositol-Serine complex)	325 mg	†
Silymarin	100 mg	†
Andrographolides	10 mg	†

†Daily Value not established

\* Fortified with Piperine and Carum carvi

Other ingredients: Calcium carbonate, Permitted class II preservative.

### RECOMMENDED USAGE

1 capsule twice daily, or as directed by qualified healthcare professional. This product is not intended to cure or prevent any disease.

### INDICATIONS

Reports suggest that Silymarin and Andrographis paniculata supplementation supports liver health (hepatoprotective) and reduces the risk of liver disorders like Fatty Liver Syndrome.

Auriliv™ is a Silybum marianum and Andrographis paniculata Nanophosphosome® with technologically advanced bioenhancer and metabolic potentiator technology.

KIDNEY STIMULANT AND PROTECTANT

**REINTONI™** is a powerful probiotics formulation enriched with 3 probiotics i.e Lactobacillus acidophilus, Bifidobacterium longum, Streptococcus thermophilus which improves Kidney filtration function and health and Fructo-oligosaccharide (FOS) that reduces inflammation, kidney failure risk and nephrotoxicity.

Complementary Food Supplement

### COMPOSITION

Serving Size : 1 Capsule

Servings Per Container : 30, 60 and 90 servings

Each 500 mg Capsule contains:

Lactobacillus acidophilus	15 billion CFU
Bifidobacterium longum	15 billion CFU
Streptococcus thermophilus	15 billion CFU
FOS	100 mg

### INDICATIONS

Improves filtration function and kidney health. Reduces inflammation, kidney failure risk and nephrotoxicity. Promotes early recovery in cases of kidney disease.

### RECOMMENDED USAGE

1 capsule in a day, or as directed by qualified healthcare professional. This product is not intended to cure or prevent any disease.

**Pack size**  
30, 60, 90 Capsules

Complementary Food Supplement

## Aurisom™

Withania Somnifera  
Nanophosphosome®

Pack size  
30, 60, 90 Capsules

### RECOMMENDED USAGE

1 tablet/capsule twice daily during post lunch/dinner or as directed by qualified healthcare professionals.

This product is not intended to cure or prevent any disease.

**AURIGANDHA™** is an Ashwagandha (Withania Somnifera) based natural health supplement enriched with bioenhancer and metabolic potentiator technology. Bioenhancer and Metabolic activator technology enhances the passive diffusion and active transport mechanism through intestinal microvilli to improve Withanolides, Withaferin A and Withanosides absorption as well prevents it's metabolic reduction through inhibition of P-gp efflux pump, CYP3AG and UGT.

### COMPOSITION

Serving Size : 1 Enteric Coated Tablet/Capsule

Servings Per Container :30, 60 and 90 servings

	Amount per serving	% Daily Value
Withania somnifera extract	150 mg	+
Withanolides	12 mg	†

†Daily Value not established

\* Fortified with Piperine & Carum carvi

### INDICATIONS

Reports suggest that supplementation of Withania somnifera alkaloids enhance energy metabolism to improve performance and health condition, augments immunity, improves the recovery from pain and inflammation especially during Rheumatoid arthritis condition, helps in reducing stress and anxiety related disorders. Aurigandha™ is a natural plant active health supplement form of Withania somnifera with bioenhancer and metabolic potentiator technology.

**Aurisom™** is an Ashwagandha (Withania Somnifera) supplement, a nano-emulsified Withanolides Phosphatidyl Choline-Serine-Ethanolamine complex enriched with Bioenhancer and Metabolic Potentiator technology. Aurisom (Withania Somnifera Nanophosphosome) contains active principles i.e. Withanolides, Withaferin A and Withanosides that easily crosses the gut barrier resulting in significantly higher blood levels. Potentiated phospholipid complex acts as carrier mediated transport system, which directs the Withanolides, Withaferin A and Withanosides to reach the systemic circulation and also increases its absorption and bioavailability. Bioenhancer and Metabolic activator technology enhances the passive diffusion and active transport mechanism through intestinal microvilli to improve Withanolides, Withaferin A and Withanosides absorption as well prevents it's metabolic reduction through inhibition of P-gp efflux pump, CYP3AG and UGT.

### COMPOSITION

Serving Size : 1 Enteric Coated Tablet/Capsule

Servings Per Container : 30, 60 and 90 servings

	Amount per serving	% Daily Value
Withania somnifera Nanophosphosome* (Aurisom®)		
(Withanolides Phosphatidylcholine-Ethanolamine-Inositol-Serine complex)	91 mg	+
Withanolides	12.5 mg	†

†Daily Value not established

\* Fortified with Piperine & Carum carvi

Other ingredients: Calcium carbonate, Permitted class II preservative.

### INDICATIONS

Reports suggest that supplementation of Withania somnifera alkaloids enhance energy metabolism to improve performance and health condition, augments immunity, improves the recovery from pain and inflammation especially during Rheumatoid arthritis condition, helps in reducing stress and anxiety related disorders.

Aurisom® is a Nanophosphosome® form of Withania somnifera with technologically advanced bioenhancer and metabolic potentiator technology.

Complementary Food Supplement
